

## We're in the Business of Schools

TRiGroup has been helping California schools solve some of their greatest business and operations problem for over 30 years!

Trusted, respected, and sought after, their team of experts excell in delivering worry-free and turnkey projects to their school clients.

TRiGroup has successfully helped schools across the state with programs and projects to manage and improve:

CARP  
(Cost Avoidance and Reclamation Program)

Program and Project Management  
Facilities Management, Planning, and Review  
Pre-Bond, Bond, and Post Bond Services

State Funding Review,  
Application, and Preparation

Cash Flow Analysis, Budget Accounting,  
and Financial Review

Community Management,  
Communications, and Outreach

## We Are Here To Help

"During these economic times, districts need proven professionals on their side. TRiGroup is outstanding and has my highest recommendation."

- Norma Martinez  
California State Appointed Trustee

**TRiGroup, Inc.**  
Strategies • Solutions • Management

“I realized if you can change a classroom, you can change a community, and if you can change enough communities you can change the world.”

- Erin Gruwell  
Educator, Author

## For the Future...The Students

TRiGroup understands that the primary focus of our educational institutions, including public school districts, private schools, and universities is the ability to produce the most conducive learning environments possible for their students. Running a successful educational program is more than just core academics, but requires keen experience with proven business practices necessary to support and propel each learning organization to its full operating potential.

TRiGroup helps you do just that.
